POLICE COURT

Mrs. Geo. Francis underwent a serious operation at the hospital on Monday. Her many friends are pleased to know that she is convalescing as well as can be expected.

An interesting case was arranged in the police court on August 28th, before C. Shantz, J.P., when Jacob Walter, of Usona, laid information against Carl Lankke for threatening to kill. After hearing the evidence, the Justice of the Peace bound the accused over to keep the peace on two securities of \$400.

As soon as this case was disposed of Lankke was charged with assaulting his mother, and he was fined \$10 and costs on this charge.

Dudgeon and Walker Out For Mayoralty

Finley B. Watson Elected by Acclamation to Succeed Ald. Dudgeon

Election Called For September 12th

Nominations to fill the vacancies on and H. J. Montgomery.

The aldermanic board caused by the resignations of Mayor Knox and Ald. Dudgeon took place at the city hall this Thursday forenoon, between the hours of 10 and 12. It was thought early in the week that offices would be filled by acclamation, as B. Ald.

Dudgeon was the only candidate in the field but on Wednesday afternoon Dr. Walker yielded to the wishes of his friends and consented to have his name placed in nomination.

The ratifiers who are endorsing the candidacy of Dr. Dudgeon are: H. L. Higgs, C.D. Egan, W. K. Clark, F. B. Watson, C. E. Condon, D. J. McKitterick, Geo. Francis, John Ochs.

The names on the nomination papers of Dr. Walker are S. C. Bailey, Jas. E. Henderson, C.D. Smith, F. L. Cameron, D.C. McLean, O.H. Ronni, R.M. Angus, W. R. Asp, J. P. Gross, Fredas, Fred. P. Spencer, Geo. L. Owen and Henry Nelson.

The only name placed in nomination for alderman was that of Finley B. Watson, and he was therefore accordingly declared elected by acclamation.

The election takes place at the City Hall, on Thursday, Sept. 12th, from the hours of 9 to 5 p.m., to decide the seat for mayor.

Prepare For The Fair

Only Three Weeks Remain in Which To Get Your Exhibits Ready

The prospective exhibitors are reminded that only three weeks are left in which to get ready for the big exhibition under the wings of the big tent at the fair grounds. This is one of the most important features of the year to the farmer, as it is the time when the best of everything that can be produced in the district is brought together, and not for show only (although this is of small value) but the prizes offered will warrant the exhibitor in going to considerable trouble to bring in the best of his stock, grain, vegetables, etc.

The list has been revised and improved over last year, by the addition of several new classes. A copy of the list should be procured by everyone that he may ascertain just what article or articles it would pay him to exhibit. A long list of what should appeal to every prospective exhibitor.

A good program of attractions is arranged for both days of the fair, particulars of which will be announced later. The parade of the prize-winning stock around the ring will be well worth coming miles to see.

There is no doubt that, if favorable weather prevails, the exhibition of 1912 will be by far in advance of any previous effort. Be sure and remember the dates—Sept. 26 and 27th and be in Wetaskiwin with the crowd.

Cabinet Ministers Coming

Hon. R. Rogers and Hon. W. T. White will be Here About October 1st

Geo. Campbell returned home from his trip to Ottawa last week, announces that Wetaskiwin is to be honored by a visit from Hon. Robert Rogers, Minister of the Interior, and W. T. White, Minister of Finance, who are contemplating making a hurried trip through the west to get in per touch with the exact conditions existing at Ottawa about the 25th, reaching Winnipeg on the 26th, and arriving in Edmonton on the 30th and will be here on or about October 1st. Arthur Meigs, M.P. for Portage la Prairie, will accompany the ministers on their western tour. We hope to be able to give more particulars next week.

Miss Bertha and Jessie Cameron, who have been attending the millinery openings at Winnipeg, returned home this week, and are now making arrangements for their fall opening.

New Rural Municipalities Act Defeated

When the new Rural Municipalities Act was put to a vote in the Wetaskiwin district last Saturday last, the result was a defeat to the long list of the aggregate vote being: For 32; against, 60. The following is the result by polls.

	For	Against
Mahno	6	19
Angus Ridge	14	14
New Berlin	0	6
Crooked Lake	2	15
Wetaskiwin	6	4
Thompson's House	4	2
	32	60

Successful Picnic

Sundry Schools Have Enjoyable Time at The Agricultural Grounds Labor Day

The children of the Presbyterian, Methodist and Baptist Sunday Schools were not privileged to go to Ponoka this year for their annual picnic on Labor Day owing to the fact that the railway company would not provide extra accommodation, their cars doubtless being all required to handle the immense crowds going to Calgary to the Stampede. They were therefore obliged to congregate at the Agricultural Grounds. An excellent program of sports had been arranged, and in all the attendance, particularly the young people, had a most enjoyable outing. The following is the list of prize winners:

Girls' race, under 6—Grace Fee, Edith Scott, Marie Ellis.
Girls' 6 to 8—Ruth Lindquist, Maude McKay, Vivian Beller.
Girls, 8 to 10—Margaret Smith, Mabel Bleier, Ora Lindquist.
Girls, 10 to 12—Ruth Stops, Hazel Treca.
Girls 12 to 15—Huldah Niles, Annie Harkness.

Young Ladies Miss Jean Ramsey, Miss Eleanor Everts.
Boys, under 6—H. W. Wilson, Cecil Gotthard, Martin Pocock.
Boys, 6 to 8—Byron, Ritchie, Oswald Smith, Bert Girling.

Boys, 8 to 10—Stanley MacEachern, Robt. Campbell, Arthur Harkness.
Boys 10 to 12—W. Bleier, Fred Ackerman, Clifford Miller.
Boys, 12 to 15—Ernie Girling, John Bistler, Wm. Bleier.

Girls, under 7—Florence Owen, Ruth Ramsey, Frances Knowlton.
A justice baseball game also proved an interesting attraction to many of the game being between Leduc and Wetaskiwin. It appeared as though the visitors would have a walk away as the game at the conclusion of the third inning was 5-0 their favor but the home team scored three in the fourth and two in the fifth. The score was 7-5 in Leduc's favor.

The Late Mr. Castello To The Electors City of Wetaskiwin

Ladies and Gentlemen
Having been requested by a large number of the electors of this city to allow myself to become a candidate for the office of Mayor at the forthcoming election and having consented to do so, I take this means and opportunity of asking you for your support and influence.

There is just one point I would wish to emphasize, and that is that having allowed my name to go before you as a candidate for this important office, is a guarantee on my part, that I elected, my time, and what I elected, I have will be devoted to the best interests of the city. Thanking you in anticipation I am, Yours respectfully
H. C. R. WALKER

Diehl-Hillgartner Nuptial

A very pretty wedding took place at the home of the bride's parents, Mr. and Mrs. Ben Hillgartner, one mile south of the city, on Monday evening last, when their eldest daughter, Miss Minerva was united in holy matrimony to Mr. Louis John Diehl, of Edmonton South. The ceremony was performed by Rev. A.R. Aldridge, B.A. The bride, was very prettily attired in a dress of pale blue, with gold trimming, with bridal veil, and carried a large bunch of flowers. Miss Ruth Sanden, of Wetaskiwin, was the bridesmaid while Mr. Clayton Hillgartner, brother of the bride performed the duties of groomsmen. After the ceremony and the usual congratulations, the party set down to an excellent wedding feast, to which ample justice was done. About fifty guests were in attendance. The presents to the bride were very numerous while many were exceptionally handsome. During the evening various forms of amusement were indulged in the principal one of which was dancing.

The happy couple are spending a short honeymoon at Winnipeg, and upon their return, will take up their residence at South Edmonton. The host of friends of this popular young couple join in extending the heartiest congratulations for a long, happy and prosperous life.

SCHOOL BOARD MEETING

A special meeting of the Board of Trustees of Wetaskiwin Public Schools was held Tuesday evening. Present—Chairman Fowler; Trustees Kelly, Hoare, Manley and Trill. The meeting was called to discuss the matter of providing additional school rooms. It has been found necessary to move one room to Assembly Hall and it was decided to arrange for another class in this room as temporary quarters—the selection of an additional teacher was left with the Chairman and Principal.

The question of holding field sports was mentioned and while no definite date was set it will likely be about the middle of October. A good program is being prepared and suitable prizes will be given.

Meeting adjourned.

LADIES OF CULTURE AND REFINEMENT USE SALVIA HAIR TONIC. IT MAKES THE HAIR BEAUTIFUL.

At last, a remedy has been discovered that will positively destroy this pest.

That Dandruff is caused by germs is accepted by every sensible person. Dandruff is the root of all hair evils.

SALVIA will kill the dandruff germs and remove Dandruff in ten days, or money back.

Walker's Pharmacy guarantees it. It will grow hair, stop itching scalp, falling hair, and make the hair thick and abundant. It prevents hair from turning gray, and adds life and lustre.

SALVIA is a hair dressing that has become the favorite with women of taste and culture. It is the social value of beautiful hair. A large generous bottle costs only 50c. at leading druggists everywhere, and in Wetaskiwin at Walker's Pharmacy.

The word "SALVIA" (Latin for safe) is on every bottle.

The ingredients of Magic Baking Powder are plainly printed on each package. The makers of the numerous alum baking powders never do this, but they have been known to print the words "No Alum" on their labels. This is no guarantee—it is a label. This is no guarantee—it is a label. This is no guarantee—it is a label.

Town Topics

T. G. Bosworth of Leduc was in the city on Monday combining business and pleasure.

E.O. Windsor, the well known Piano tuner is in town. Leave order at the Times Office.

Miss Redden has accepted a situation in the millinery department of the Star Store.

Miss Helen Chandler has accepted a position in the Star Store as cashier, succeeding Miss Wyld, who leaves shortly to pursue a college course.

Miss Matthews of Dayland arrived in the city this week to accept a situation in the dry goods department of the Star Store.

The Misses Moffatt, of Ottawa, who have been on a trip to the coast, stopped off to visit Rev. and Mrs. Pocock at the Presbyterian Manse on Wednesday on their way home.

Miss Florence Linden of the government offices, Edmonton, was in the city this week spending a few days at the home of Mr. and Mrs. D. J. McKitterick.

Ald. Enman on Monday moved his book store to the old Thibodeau stand on door west of his former store. This will give him much more space, and will enable him the better to handle his increasing business.

Miss Agnes Dietz, sister of Engineer Dietz of South Edmonton, was the guest of Mrs. R. M. Angus this week. See the ad. of the General Agencies, Ltd., successors to O'Brien & the Kelley in this issue re land to trade.

Mr. and Mrs. T. C. Anderson, and daughter Cora, passed through the city on Monday en route for their new home near Athabasca. Landing. The old-timers of the district will remember them as being former owners of the Dryard hotel.

H. W. Harris, of the City Bakery is in Calgary this week undergoing an operation for appendicitis. He had been afflicted for some time but has always managed to ward off the operation, until a few days ago, when his physician informed him that an operation was imperative.

Owing to the congestion of the railway yards here, the C.P.R. has been obliged to add to the trackage and a gang of men were employed last week in laying another side track of considerable length south of Peace Street. They also fenced their property in the city.

The families of Acting Mayor Ellis and D. C. McLean who have been for a couple of weeks enjoying the invigorating air of Pigeon Lake, returned to the city on Saturday. If you want to know how the roads are in view of either Mr. Ellis or Mr. McLean.

A number of changes of residence took place the first of the month. H. K. Oatway moved into the Payne residence on Lorne street, while M. M. Gillis took immediate possession of the property just vacated by Mr. Oatway. Mrs. Murray moved into the Coupland house which has just been completed on Whyte street. Dr. Stevenson is now having his house, vacated by Mrs. Murray, overhauled and will move in shortly.

INTERDICTS SHOWN BY THE REVISED INDIAN LIST

The Liquor License Branch of the attorney general's department's inspectors, throughout the province of Alberta, and to the several police magistrates and Mounted Police officers, and to the various justices, who have commonly become to be known as the "Indian List". It comprises a revised return, corrected up to Aug. 1st, 1912, of the persons in Alberta who are interdicted under the provisions of the Liquor License Ordinance.

Chief License Inspector Forster says that this list is growing and that it entails considerable work upon his office staff and upon the several inspectors in his department. The number of interdicts in full is 735, made up as follows:

District No. 1	72
District No. 2	45
District No. 3	149
District No. 4	57
District No. 5	96
District No. 6	33
District No. 7	65
District No. 8 (Calgary)	87
District No. 10 (Edmonton)	119

When you go back to your old home after an absence of 10 or 15 years, don't expect people to be glad to see you. After people have not seen a man for 10 or 15 years they don't care much if they never see him.

The recent 40 per cent advance in the price of leather has resulted in an advance in the price of 15 per cent. Local dealers have been notified of this action, which was taken at a meeting of shoe dealers in Toronto the other day. This means that shoes now selling at \$4 will cost the buyer \$4.60 in the future.

Off to the west, to secure modern husbands and homes, dignified young and blushing brides-to-be left Toronto recently on the Grand Trunk Railway homesteaders' excursion. A "B. Duff" district passenger agent, stated that this is the first of a large number of parties girls who will go West. Already he said he had received letters from the various agents stating that there were many girls in the country desiring to take a chance in the matrimonial market in the West, and he expected to have fully fifty girls on the next excursion.

What kind of a silo will yours be?

Wood—or Concrete?

If you were to build two silos—one of wood, the other of concrete—side by side, and then could see them as they will look after five years of service, you wouldn't have to think twice to decide which is the best material. In a few years more there wouldn't be much of the original wooden silo left—the repairing you'd have to do would be as troublesome and cost as much as the building of an entirely new one. But the passage of five, ten, fifteen or even twenty years will make no difference to the hard-as-rock wall of the concrete silo.

CONCRETE SILOS LAST FOREVER

WIND, rain, fire and lightning are alike defied by concrete. You need no insurance against its destruction, because it cannot be destroyed. Concrete silos are best for another reason. The concrete keeps the ensilage at an even temperature, so that it "cures" better, and therefore contains more food-value for your stock.

YOU CAN BUILD ONE YOURSELF

NO matter whether you have ever used concrete or not, you can build a concrete silo. Our book, "What the Farmer Can Do With Concrete," gives all the information you will need, not only how to build a silo, but also how to use concrete for concrete on the farm. It is a catalogue, an advertising circular. A handsome book of 160 pages, well illustrated, and written for farmers. It is yours for the asking. Write your name and address on a postcard or in a letter and the book will be sent free by return mail.

LOCAL AND ENGLISH CAPITALISTS PURCHASE 80 ELEVATORS

Sir Max Aitken, M.P., with a number of English associates, and R. B. Bennett, K.C., M.P., have purchased from Messrs. Beiseker, Davidson & Strong, the elevators of the Alberta Pacific Elevator Company, Ltd., the West Coast Grain Company, Ltd., and the terminals of the Globe Elevator Company, Ltd., some eighty elevators in all.

The purchasers propose making a considerable increase in the number of elevators and will, by a vigorous campaign of construction, endeavor to concentrate in this city, so far as possible the west bound grain business that will be opened up by the Panama canal.

The foregoing announcement, given out officially yesterday, is fraught with tremendous consequences for the future of Calgary. It means first of all, the opening of a definite and well planned movement to make this city the grain shipping centre of Western Canada. It means that Calgary is destined to occupy the same sphere of relative importance in the western district of the grain growing provinces that Winnipeg occupies on the east.

A total elevator capacity of practically 3,000,000 bushels is involved in the transaction, and as the official announcement says, plans are laid for increasing this capacity.

The largest of the elevators involved in the transaction is the terminal elevator of the Globe Elevator Company, Ltd., in Calgary with a total capacity of 400,000 bushels.

All the other elevators involved, with one exception, are located in the province of Alberta, at various points throughout the country districts. The one exception is the elevator of the Alberta Pacific at Maple Creek, Saskatchewan. All of the country elevators are practically of the same standard capacity, and the total capacity of all these country elevators is approximately 2,500,000 bushels.

The transaction takes effect immediately as plans for it have been making for some time. All of the elevators are now cleared and in the best of shape for handling the big harvests of this fall—Alberta.

CONSERVE THE MAN ON THE FARM

Among all the ideas that have been advanced about conservation, none seem to have included the most important of them all. The man himself is vastly more important and more worthy of conservation than any material thing he may have on the farm, or even the farm itself. Without him all else would be of no account.

There are yet farmers who have an exalted idea of the value of muscle in farming operations and who pride themselves upon their early rising and long hours of work. Such men desire modern machinery and think to use indicates laziness. They get out of bed at 5 o'clock every morning, winter and summer, whether there is anything to do or not. They deprive themselves of opportunities for reading and self-culture because they can't keep awake later supper, and they wear out years sooner than they should.

Times Have Changed—Men Must Also

Such men were necessary in pioneer days, when both muscle and machinery were imperfect, when there were more farmers than of any other class and their products in small demand and low priced. With the crude methods and machinery of early days, strength and endurance were necessary. A premium was placed upon the methods of living and working and he who dared to lie in bed till rested did so under the penalty of being called lazy.

Modern knowledge, conditions and machinery have removed the necessity for such ways of living, says the Kansas Farmer, and have taught the farmer that he is a business man and not a day laborer, and that he may and should use business methods and hours on the farm. The successful business man works hard and puts in more hours during the year than does the farmer, but he takes care of himself. His hours of rising are fixed by habit, so that he gets up when he is rested and when the day has begun. He could do nothing during the idle hours of very early morning, which are very profitably spent in bed. He gets to his office in time to meet other business men, and his hours are regulated by method.

With the farmer the hours must be difficult, as he has a different work and his business is with nature more than with men; but he can still have system and method and prosper for it. Except in the emergencies of cropping he can and should observe such hours of labor as are demanded by his business and by his physical well being. He should study and adopt systematic methods and he should take care of himself.

Only the healthfulness of his occupation has saved many a farmer from premature breakdown, and, even though saved from this, there can remain but little doubt that he wears out sooner than necessary. What can it profit a man to learn a whole section and so wear himself out that he cannot enjoy its fruits?

And this applies with intense force

to the farmer's wife. The first step in true economy and conservation should be to conserve the wife, then the man, and after them the fertility of the soil. Own the farm, boss it, and run it. Don't let it own and enslave you.—Dry Farming.

WAS TROUBLED WITH HIS HEART

HAD TO GIVE UP WORK

Mr. Alfred Male, Elmdale, Ont., writes: "I was troubled with my heart for two or three years. I thought sometimes that I would die. I went to the doctor, and he said he could not do anything for me. I had to give up work. My wife persuaded me to try Milburn's Heart and Nerve Pills. The first box relieved me, so I kept on until I had taken seven boxes, and they cured me. I would not be without them on any account, as they are worth their weight in gold. I advise my friends and neighbors who are troubled with heart or nerve trouble to try them."

To any of those suffering from heart or nerve trouble we can recommend our Milburn's Heart and Nerve Pills with the greatest confidence.

Price 50 cents per box, or 3 boxes for \$1.25. If your dealer does not have them in stock, send direct to The T. Milburn Co., Limited, Toronto, Ont.

A NOTE OF WARNING

There has been issued, by direction of the Minister of Agriculture at Ottawa, a conspicuous poster calling the attention of potato growers to the importance of examining their crop to ascertain whether or not it is infected with "Potato Cancer." The hanger shows in natural colors a potato plant the whole of which is affected by the disease. It also shows the appearance of individual tubers in which the cancer has started to work. Growers who discover suspicious symptoms of the disease in their crop are requested to send affected specimens to the Dominion Botanist, Experimental Farm, Ottawa. The poster is issued as Farmers' Circular No. 3, of the Division of Botany and is being distributed by the Publications Branch of the Department of Agriculture.

HAD DYSPESPIA FOR TEN YEARS

COULD NOT KEEP ANYTHING ON HER STOMACH

Dyspepsia is caused by poor digestion, and to get rid of this terrible affliction, it is necessary to place the stomach in a good condition. For this purpose Burdock Blood Bitters has no equal.

Mrs. Norman A. MacLeod, Port Bevis, N.S., writes:—"For the last ten years I suffered dreadfully with dyspepsia, and I could not keep anything on my stomach. I tried several kinds of medicines, but none of them seemed to do me any good. At last a friend advised me to try Burdock Blood Bitters, which I did, and after using five bottles I was completely cured. I would advise any one troubled with stomach trouble to use B.B.B. I cannot recommend it too highly."

Burdock Blood Bitters is manufactured by The T. Milburn Co., Limited, Toronto, Ont.

ANOTHER SUCCESSFUL YEAR FOR WESTERN CANADA COLLEGE

CALGARY

This well known Resident and Day College for boys has just closed another successful year. Over 140 boys between the ages of ten and twenty have been in attendance during the season, September 1911 to June 1912. Many of these students have written on the college finals and the matriculation examinations for the universities. The result of the latter are very gratifying, the best boy of the college passing very well in the McGill Arts Matriculation Examination.

The excellent work done in the Gymnasium and Swedish Drill Classes reached a splendid climax at a public exhibition given in behalf of the general hospital, that won unstinted praise because of the fine bearing and finished action of every one of the sixty odd boys taking part.

The college continues its success in sending boys to the universities and to the various leading business houses and banks.

Though the present property is not permanent, yet it has been decided to install a fan system of ventilation to ensure the flow of pure air. At same time preparations for a new building are being made. The college will be moved to the new grounds of 35 acres, the city continue. During the year a number of the leading residential schools and colleges of Eastern Canada and the United States were visited and carefully studied. At present some of the best British Schools are being investigated. The college will send all the latest and best equipment, and no money will be spared to that end. Western Canada College is entering upon its 19th year, is the oldest, the largest, and the best known College between Winnipeg and Vancouver. It was founded before Alberta and Saskatchewan became provinces, and its record of success in preparing lads for college and business is amply testified by the high places taken, the scholarships won and the testimonials received.

Sedgewick Hall Fair has been postponed to Oct. 9th.

The hired man who a few years ago was just a common creature is now the most important person in the country.

Mad Indigestion, Sour Stomach and Severe Headaches FOR OVER A YEAR

Mr. W. Moore, 132 Ligar St., Toronto, Ont., writes: "After having been troubled with indigestion, sour stomach, and severe headaches for over a year, I was induced to try Milburn's Lax-Liver Pills. One vial greatly benefited my case, and three vials completely cured me. I can heartily recommend them to any one suffering from stomach or liver trouble."

Milburn's Lax-Liver Pills stimulate the sluggish liver, clean the coated tongue, and remove all waste and poisonous matter from the system.

Price, 25 cents per vial, or 5 vials for \$1.00, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

LOCAL OPTION VOTE TO BE TAKEN SOON

It is now definitely announced that the postponed vote on Local Option, in License Districts No. 12 and 13, of the Province of Alberta, will take place sometime in November. It was the original intention to bring on this vote some time last year, but it was discovered at a late hour that the legislation in effect in the Province, regulating such a procedure was unworkable, and a postponement was arranged, with the definite understanding that the canvass already made and petitions secured and sent in would be considered sufficient for the taking of a vote this year.

In the meantime legislation has been enacted which will remedy to some extent at least the defects in the law. These two districts are large and cover a large proportion of the Province and as a consequence, if the vote should be favorable to Local Option, the measure should be of more beneficial.

When the announcement was made last year that a vote would be taken the Licensed Victuallers' Association at once bestirred itself, and notwithstanding the postponement of the vote, the members of that organization have been busy. A large sum of money was subscribed to oppose the adoption of the measure and various other actions have been taken, such

as insisting upon the members observing the present law, with the hope, no doubt that this would give them prestige with the people and create a more favorable impression regarding the license system under which we are still working.

On the other hand, the Alberta Temperance and Moral Reform League has been doing all possible to put up a lively contest and speakers are already in the field. One of the most prominent of these, J. A. Ayrault who was formerly License Inspector for Ontario, under Sir James Whitney and is now secretary of the Edmonton Branch of the League. He is said to be an eloquent speaker and as he comes with a first hand knowledge should be well able to give a clear presentation of the question.

HOMESTEADERS ENRICHED BY ASPHALTUM BED

Edmonton, Aug. 27.—John J. Hayward, who migrated to central Alberta from Minnesota, three and a half years ago, is becoming wealthy as the result of locating a bed of asphaltum on his homestead, 38 miles northeast of Edmonton. He discovered the "black stuff" while plowing last spring, but did not make his discovery until after the government had granted a patent on the land. Following a thorough examination by W. H. Williams, formerly an inspector of mines in the United States, a company was organized and incorporated under the laws of the province of Alberta, with a stated capitalization of \$1,200,000, to develop the property. The expert says in his report that the land is underlaid with a considerable thickness of from 1 to 20 feet under the grass roots. Surface indications all point to petroleum fields, and it may be proved by drilling that a valuable natural gas and oil field will be found there.

That a grain survey board will be established in Calgary was the announcement made Monday after arguments in favor of the innovation had been presented on the grain commission, comprised of Prof. Magill, chairman, and W. D. Staples, ex M. P., at their session in the Board of Trade rooms. The question of whether Calgary be made an order point as far as shipping cars for further orders was concerned, was also discussed, but Prof. Magill stated that this would have to be reserved until a case has been presented. It was decided that Alberta should have two representatives on the grain standards board.

TORTURED FROM BABYHOOD

"Fruit-a-lives" Cures Constipation

Mrs. E. A. GOODALL

Edmonton, Alta., Nov. 20th, 1911
"I have been a sufferer since babyhood from that terrible complaint, Constipation. I have been treated by physicians and have taken every medicine I heard of, but without the slightest benefit. I finally concluded that there was no remedy in the world that could cure Constipation.

About this time, I heard about "Fruit-a-lives" and decided to try them. The effect was marvellous. The first box gave me great relief, and after I had used a few boxes, I found that I was entirely well.

"Fruit-a-lives" is the only medicine that ever did me any good and I want to say to all who suffer as I did—"Try this fruit medicine and you will find—as I did—a perfect cure!"

(Miss) E. A. GOODALL
"Fruit-a-lives" is the only medicine in the world made of fruit and the only one that will positively and completely cure you of Constipation.

50c. a box, 6 for \$2.50, trial size, 25c. At all dealers or sent on receipt of price by Fruit-a-lives Limited, Ottawa.

GOVERNMENT MADE MISTAKE

The government made a mistake in making the Rural Municipalities Act optional in the rural districts. When the government decided that towns should be put under the single tax system of taxation, they did not allow the citizens of the various towns to vote on the question. They simply said you have got to make your assessment under the single tax plan, and the towns were compelled to act accordingly. Had it been left to the vote of the citizens this act would have been turned down with a dull sickening thud. However, we are towns find that what at first looked like imposition, turns out to be a splendid thing for all concerned and would not go back to the old system. Had the government treated the rural municipalities in the same way, all would be well, and after the first year every farmer in the country would see the wisdom of the act.—Lacombe Globe.

Mr. and Mrs. Fred Spencer stopped over in the city today enroute to the Stampede, at Calgary, from there they will go to Vancouver, Seattle, Portland, Chicago, Minneapolis and St. Paul. They expect to be absent about six weeks.

The Willing Workers of the Presbyterian church will hold a chicken supper in the vacant garage next to the blacksmith shop, Landoway street, Saturday evening, Sept. 21st, at six o'clock p.m. An impromptu Orchestra will be in attendance.

The Methodist parsonage was placed under quarantine on Friday last for a mild form of diphtheria. Hardy one of the boys, being afflicted. He is convalescing nicely and will be about again in seven or eight days. He can be lifted, the pastor, however, is not affected having taken up residence with Mr. Sharpe Lorne street.

Labor Day was quietly observed in this city, many of the local sports being in the country in search of game and geese. In the forenoon a basketball game was played between a team of Juniors from Leduc and a local aggregation. The home boys showed their superiority by a score of 16-1. In the afternoon the Sunday school picnic was held.

The receipts at the customs office for the month of August far surpass any previous month, and only go to show that the government wote wisely in their selection of Wetaskiwin as the point for the office. The receipts for the month were \$1,022.11 while for the previous month the figures were \$2,112.22. This is an increase of about seventy per cent.

In connection with the regular program at the Empress Theatre this Friday evening, Sept. 6th, will be shown the White Slave Traffic, Prof. Danielescu exposing the world's greatest crime, using a series of forty beautiful hand colored photos taken by a noted detective while in the employ of the American Purty League.

Among the real estate deals of the past week is the half section near Doreme which was bought by John E. St. John of Alberta, Minn., at a good figure for cash. The deal was put through the office of the Geo. Agencies, Limited. Mr. St. John is delighted with his bargain and statistics show there are scores of people from his section of the country in Minnesota who will be up in this country as soon as he returns and reports what he has done.

The Pictures at the Empress Theatre this week far exceeds anything ever seen in this city, and the management is to be congratulated on endeavoring to bring our sunny city up to all sunny standards in the entertainment line by using for our enjoyment the best dramas and comedies of the day. We understand that Wetaskiwin is now one of a circuit of six towns that can control the latest pictures in photo plays. Well done, Wetaskiwin, keep a-going.

Talk Topics

Mr. and Mrs. J.B. Craig spend the week-end with relatives at Edmonton. Chas. Compton of Edmonton arrived home on Monday to spend a short holiday with his friends. H.K. Outway was at Calgary during the past week purchasing stock. He also spent a short time at Banff. A large number of the citizens are attending the Stampede at Calgary this week. Do not forget the Duck Supper to be given in Bearisto's Garage, on Wednesday, Sept. 11th. Wanted: by 1st November a good servant for small family. Highest wages. Mrs. H.I. Miller. M.M. Gillette, publicity commissioner is at Calgary this week, in charge of a display of grains and grasses from this district. Miss Campbell of Ods, who has been spending a couple of weeks with her friend Miss Lella Boardman, returned home on Tuesday morning. A large gang of telephone men left the city on Monday. They are strung a direct long distance line between Edmonton and Calgary. J.P. Franklin, manager of the Mechanics Bank at Pincher, is spending his vacation renewing acquaintances in the city. The families of E. Roberts, city clerk, Geo. D. Wallace and Dr. Robertson, who have been spending their vacation at Gull Lake, returned to the city on Saturday last. A special car from Kerrobert passed through the city on Tuesday morning, en route to Calgary. The party stopped here several hours, and had a look around the city. The Women's Auxiliary of Immanuel Church have arranged to give a Duck Supper in Bearisto's Garage on Wednesday, September 11th, commencing at 5.30 o'clock. The regular monthly meeting of the Hospital Aid Society has been postponed to Tuesday, Sept. 10th, at 4 P.M., at the council chamber. All members are requested to attend. A large attractive electric sign has just been erected in front of the Red Cross Drug Store. The interior of the store has also just been renovated.

We were in error last week in stating that Mrs. T.C. Rubbra had gone to Edmonton to visit friends. She has gone to Toronto, and will make an extended visit.

Acting Mayor Ellis and J.P. Fowler chair man of the public school board, went to Edmonton on Wednesday afternoon to attend the civic reception tendered their Royal Highnesses, the Duke and Duchess of Connaught and Princess Patricia.

The fire brigade was given a run on Monday evening about eleven o'clock to the gas well. The wall of the blacksmith shop was ignited in some way by the fire in the forge but as the flame was soon noticed, and the alarm given, it was extinguished by the brigade before much damage was done.
